

Church Fenton Local Green Space Questionnaire

As part of Our Neighbourhood Plan we want to designate areas of **Local Green Space** in order to protect and preserve green spaces important to the local community. Once an area has been designated as a **Local Green Space**, new developments will not be considered (other than in special circumstances). The **Neighbourhood Plan Steering Group** would like to know, the areas that you think should be given **Local Green Space** status. Please complete the table using the **Guidelines** provided on the reverse (you can include as many areas as you like). Only include areas that are within the parish boundary (areas outside will **NOT** be considered, please see map on reverse). Once completed please return to **Church Fenton Post Office**.

Where is it? (Address/grid reference/ location description/name)	Why is it special? (Think about how it meets the guidelines)	What is it used for? (if known)
Playing field/park/ skateboarding area (A on map)	Well-used park where children of all ages can come + play, run around and get exercise (2c)	See previous box - play, sport, socialising
Field opposite Northfield Terrace (B on map)	2a) Changes with the different seasons and is the only bit of farmed land which is easily visible as you walk through the village 2e) Deer frequently seen playing in the field	Farmed land

Thank you for completing the questionnaire. We really appreciate your help in identifying areas of significance to be considered for **Local Green Space** status.

Where is it? (Address/grid reference/ location description/name)	Why is it special? (Think about how it meets the guidelines)	What is it used for? (if known)
① Northfield Lane - Public Footpath	So many locals use it Beautiful views, wild life - Peaceful	Walking, riding
② Woodland to East of Northfield Lane	Wildlife habitat Prevents flooding of land around village - wildlife habitat	Wildlife Drainage
③ All drainage ditches surrounding fields + Properties		
④ Church Fields Public Footpath	Beautiful views of church, wildlife - Peaceful	Walking
⑤ Allotments off Busk Lane/Brackenhill	Growing, relaxation veg etc.	Produce
⑥ A small plot of agricultural Land between North Lodge and Chapel Close to west, and Northfield Close to south. It is Agricultural land to North + west of this plot. (marked on map)	would infiltrate between agricultural land and be out of line with the cortalidge. Special because it is still productive, by developing it would enclose the agricultural land, still attached to 2 properties.	Orchard.

Thank you for completing the questionnaire. We really appreciate your help in identifying areas of significance to be considered for **Local Green Space** status.

Where is it? (Address/grid reference/ location description/name)	Why is it special? (Think about how it meets the guidelines)	What is it used for? (if known)
① See map over St Mary's Church environs. The footpaths and surrounding countryside adjacent to St Mary's.	The setting of the church is extremely beautiful - makes the perfect backdrop to this lovely 13th building. It has a timeless unchanged quality that is restful and ideal for relaxation, tranquility and rejuvenation.	Walking, strolling, sitting - taking in the view. Contemplation.
② See map over Sandwath lane. Bridle way. This continues from Sandwath lane & turns into a grassy & wooded track which heads off towards Scawthorpe.	This bridle path leads on to many walks around the village. It is both varied, picturesque, tranquil and yet accessible. It links other public paths to make circular walks/rides/cycles.	Walking, cycling, horse riding. Used by all ages as it joins larger walks/cycle routes and also provides a pushchair/childer bike friendly short circular which is very popular with young families.
③ See map over Recreation field/strategic gap and associated footpath & views.	This area between the 2 halves of the village provides a wonderful view of the church and is accessed via a popular footpath adjacent to the PC owned recreation field and play areas. It offers outside space for all year round play and	Walking, playing inc ball games, swings etc. Jogging, skateboarding, cycling, sitting, contemplation. a peaceful place to enjoy the historic church and older buildings of the village.

Thank you for completing the questionnaire. We really appreciate your help in identifying areas of significance to be considered for **Local Green Space** status.

This view has remained unchanged for centuries and is priceless.
